ITALIAN ACADEMY OF ESTHETIC DENTISTRY

ACCADEMIA ITALIANA DI
ODONTOIATRIA ESTETICA

“Esthetics and technology in modern dentistry”

SEPTEMBER 20/21/22, 2012 - VENICE

Dear friends,

It is with great pleasure and pride that I inform you that the 2nd International IAED Congress will be held in VENICE on 20-22 September 2012.

The 1st International Congress of IAED (Italian Academy of Esthetic Dentistry), held in Rome this past September, has been a great success, with a highly qualified audience and some of the best speakers in the world. We are now ready for a repeat performance in Venice! Why Venice? Because after a prestigious, historic city such as Italy’s capital, Venice – with its history, culture, the beauty of its monuments, and the perfect balance of ancient and new – is the ideal venue for our upcoming meeting.

“Esthetics and technology in modern dentistry”: this is the Congress’ core theme. Reflecting the Academy’s DNA, the Congress will be an interdisciplinary meeting open to dentists and dental technicians, and will feature important contributions and a series of pre-congress courses that will allow all participants to improve their knowledge and update their surgical techniques.

The Venice Congress, whose goal will be to compare and contrast the various experiences of specialists regarding the vital relationship between the evolution of technology, materials and surgical techniques, will feature internationally-renowned Italian and foreign speakers.

Along with this numerous group of opinion leaders, other highly skilled speakers will be featured during both the pre-congress courses and the congress presentations.

I hope to see many of you in VENICE for this important event of great scientific interest.

The President of IAED

Fabio Caine

Speakers:

Stefan Paul (EAED Active member - CH)

Nicola Pietrobon (EAED Active member - CH)

David Winkler (EAED Active member - Past President EAED and President-elect of IFED - UK)

Joerg Strub (University of Freiburg DE)

Nitzan Bichacho (University of Jerusalem)

Angelo Putignano (Polytechnic University of the Marche - Italy)

Roberto Spreafico (EAED Active member, Past President AIC)

Massimo Ronchin (University of Cagliari - Italy)

Tomaso Vercellotti (Founder and Past President of the Piezosurgery Academy)

Marco Rosa (Past President ASIO – University of Insubria - Varese - Italy)
